

OLYMPIC SCHOLARSHIPS FOR ATHLETES "SOCHI 2014"
APPLICATION – PRIORITY ORDER FORM

National Olympic Committee

Please refer to the categorisation of the NOCs as noted below before applying and limit the number of NOC candidatures accordingly. An NOC may submit a maximum of 15 candidatures.

A: NOCs that had fewer than 10 athletes at the Vancouver Olympic Winter Games

These NOCs will be offered a fixed number of Scholarships equal to the number of their athletes who participated in the Vancouver Olympic Winter Games (with the exception of those NOCs that had only one athlete in Vancouver, which can apply for a maximum of two scholarships).

B: NOCs that had between 10 and 59 athletes at the Vancouver Olympic Winter Games

These NOCs will be offered a maximum of 10 Scholarships.

C: NOCs that had over 60 athletes at the Vancouver Olympic Winter Games

These NOCs are invited to contact Olympic Solidarity to discuss a tailor-made preparation programme that will offer the flexible use of a fixed budget per NOC.

In exceptional cases, Olympic Solidarity may award a maximum of two scholarships to an NOC that did not have any athletes at the Vancouver Olympic Winter Games but which has athletes with a proven winter sports record and technical level.

Please provide below the list of athletes, in **priority order** (not by sport), who your NOC wishes to put forward as candidates for the Olympic Scholarships for Athletes "Sochi 2014" programme. This priority order will be taken into account by Olympic Solidarity during the process to allocate scholarships.

A complete candidate application form must be submitted for an athlete to be taken into consideration.

Priority order	Gender M / F	Family Name	Given Name(s)	Sport
