## AUDITORS' REPORT

To the Members of St. Lucia Olympic Committee

We have audited the accompanying financial statements of St. Lucia Olympic Committee, which comprise the statement of financial position as at December 31, 2013, and the statements of changes in members' equity, comprehensive income and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of St. Lucia Olympic Committee as at December 31, 2013, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

## 1. Introduction

The St. Lucia Olympic Committee (SLOC) is a non-governmental, non-profit organisation of unlimited duration that was established on January 22, 1987 and was recognised by the International Olympic Committee (IOC) on September 24, 1993. The principal objectives of the Committee are to ensure the development, promotion and protection of the Olympic movement and sport in general in St. Lucia.

The Committee is established in accordance with the Olympic Charter of the IOC and abides by a constitution that has also been approved by that body. The Committee consists of a General Assembly, which comprises representatives of national sporting associations and distinguished citizens of St. Lucia, and is governed by an Executive Committee elected by the General Assembly.

## 2. Date of Authorisation of Issue

These financial statements were authorised for issue by the Executive Committee on July 18, 2014.

## 3. Significant Accounting Policies

The principal accounting policies adopted are stated in order to assist in a general understanding of the financial statements. These policies have been consistently applied to the years presented, unless otherwise stated.

### (a) Basis of Preparation

The financial statements have been drawn up in accordance with International Financial Reporting Standards and under the historical cost convention.

The preparation of financial statements in conformity with International Financial Reporting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Committee's accounting policies.

Amendments to International Financial Reporting Standards effective in the 2013 financial year  
IFRS 13, 'Fair Value Measurement'

IFRS 13 was issued in May 2011. This new standard defines fair value, provides a framework for measuring fair value and requires disclosures about fair value measurements. IFRS 13 applies both to financial and non-financial instruments for which other IFRSs require or permit fair value measurement and disclosures about fair value measures, except in specified circumstances. This standard became effective January 1, 2013.

IAS 1 (Revised), 'Presentation of Financial Statements'

The amendment to IAS 1, issued in June 2011, requires additional disclosures to be made in the other comprehensive section such that items of other comprehensive income are grouped into two categories:-

- (a) Items that will not be reclassified subsequently to profit or loss; and
- (b) Items that will be reclassified subsequently to profit or loss when specific conditions are met.

These amendments became effective July 1, 2012.

### 3. Significant Accounting Policies (Cont'd)

#### (a) Basis of Preparation (Cont'd)

New and revised International Financial Reporting Standards that have been issued but are not yet effective and have not been early adopted (Cont'd)

IAS 32 - 'Financial Instruments: Presentation'

The amendments, issued in December 2011, address inconsistencies in current practice when applying the offsetting criteria. They clarify the meaning of 'currently has legally enforceable right of set-off' and that some gross settlement systems may be considered equivalent to net settlement. The amendment is effective January 1, 2014; however, earlier application is allowed.

IFRS 9, 'Financial Instruments Part 1: Classification and Measurement'

IFRS 9 issued in November 2009 replaces those parts of IAS 39 relating to the classification and measurement of financial assets. Financial assets are required to be classified into two measurement categories: those to be measured subsequently at fair value, and those to be measured subsequently at amortised cost. The decision is to be made at initial recognition and the classification depends on the entity's business model for managing its financial assets and the contractual cash flow characteristics of the assets. In October 2010, the requirements for classification and measurement of financial liabilities, as well as the requirements for derecognition of financial assets and liabilities, were moved from IAS 39 to IFRS 9. This standard is effective January 1, 2015; however, earlier application is allowed.

#### (b) Quadrennial Accounting Period

The Committee prepares and presents financial statements on an annual basis. However, the Committee's activities fall within a quadrennial cycle ending on December 31 of the year in which the summer Olympic Games are held. The current quadrennium ended December 31, 2012.

#### (c) Foreign Currencies

The financial statements are presented in Eastern Caribbean dollars which is the currency of the primary economic environment in which the Committee operates (its functional currency).

Assets and liabilities expressed in foreign currencies are translated into the functional currency at the rates of exchange ruling at the date of the financial statements. Transactions arising during the period involving foreign currencies are translated into the functional currency and recorded at the rates of exchange prevailing on the dates of the transactions. Differences arising from fluctuations in exchange rates, as well as including differences between buying and selling rates, are included in the Statement of Comprehensive Income.

### 3. Significant Accounting Policies (Cont'd)

#### (d) Donations and Sponsorship Contribution in Kind

All significant donations and sponsorship contributions in kind are recorded as income using actual values or cost (which approximates fair value) at either the time of donation or when the goods or services are utilised, with corresponding charges to expenses or fixed assets.

#### (e) Impairment of Non-Financial Assets

The carrying amounts of the Committee's assets are reviewed at each date of the financial statements to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the Statement of Comprehensive Income.

#### (f) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and at bank.

#### (g) Financial Assets

The Committee classifies its financial assets as loans and receivables. The classification depends on the purpose for which the financial assets were acquired. The Executive Committee determines the classification of its financial assets at initial recognition and re-evaluates this designation at every reporting date.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of loans and receivables is established when there is objective evidence that the Committee will not be able to collect all amounts due according to their original terms.

Regular way purchases and sales of loans and receivables are recognised on trade-date - the date on which the Committee commits to purchase or sell the asset. Loans and receivables are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition. Loans and receivable are derecognised when the rights to receive cash flows from the asset have expired or where they have been transferred and the Committee has also transferred substantially all risks and rewards of ownership.

#### (h) Property, Plant and Equipment

Property, plant and equipment are recorded at historical cost, or valuation for assets donated, less accumulated depreciation.

Depreciation is provided over the estimated useful lives of depreciable assets on the reducing balance basis at the following rates:-

Assets	Rates
Office equipment	25%
Computer equipment	25%
Furniture and fittings	25%

Gains or losses arising on the disposal or retirement of an item of property, plant and equipment are determined as the difference between the sales proceeds and the carrying amount of the asset and are recognised in the Statement of Comprehensive Income.

### 3. Significant Accounting Policies (Cont'd)

(i) **Programme and Other Payables**

Accounts payable are measured at amortised cost.

(j) **Deferred Assistance**

Grants, fundraising income and sponsorship income used to fund future activities such as the preparation and participation of Saint Lucian Olympic Teams at Olympic, Pan American or Commonwealth Games have been deferred, to be recognised as income in the year in which the activity is carried out or the Games are held.

(k) **Revenue**

Revenue is recognised at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Committee and the revenue can be reliably measured.

Interest income is accrued on a time basis.

(l) **Leases**

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Comprehensive Income on a straight-line basis over the period of the lease.

(m) **Income Tax**

St. Lucia Olympic Committee is a non-profit organisation and is, accordingly, exempt from income tax under Section 25 (1) of the Income Tax Act Cap. 15.02.

#### 4. Financial Risk Management

The Committee's activities expose it to various financial risks.

Financial risks include credit, liquidity and market risks. Market risks arise from changes in interest rates, equity prices, currency exchange rates or other market factors. The effects of these risks are disclosed below.

##### (a) Credit Risk

Credit risk is the exposure that the counterparty to a financial instrument is unable to meet an obligation, thereby causing a financial loss to the Committee. The maximum exposure of the Committee to credit risk is indicated by the carrying amount of its financial assets.

Cash and cash equivalents expose the Committee to concentrations of credit risk as the balance is held with one banking institution.

Credit risk is minimised through placing the balance with a highly reputable institution.

##### (b) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial instruments.

The Committee's only financial liability is accounts payable which has no stated repayment terms.

##### (c) Fair Value of Financial Instruments

Fair value is the risk that the fair value of a financial instrument may vary in response to changes in interest rates, equity prices, currency exchange rates or other market factors.

Fair value amounts represent estimates of the consideration that would currently be agreed upon between knowledgeable, willing parties who are under no compulsion to act and are best evidenced by quoted market values, if they exist.

None of the Committee's financial assets and liabilities are traded in a formal market. The Committee's financial assets and financial liabilities as disclosed in the Statement of Financial Position approximate their fair value.

## 4. Financial Risk Management (Cont'd)

## (d) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Floating rate instruments expose the Committee to cash flow interest rate risk, whereas fixed interest rate instruments expose the Committee to fair value interest rate risk.

The following table summarises the exposures to interest rate risks of the Committee's financial assets and financial liabilities. Amounts are stated at carrying amounts, categorised by the earlier of contractual re-pricing or maturity.

	Due within 1 year \$	Due between 1 and 5 years \$	Due after 5 years \$	Non-interest bearing \$	Total \$
<b>As at December 31, 2013</b>					
<b>Financial Assets</b>					
Cash and cash equivalents	607,104	-	-	-	607,104

	<u>1,801,424</u>	<u>-</u>	<u>-</u>	<u>88,368</u>	<u>1,889,792</u>
<b>Financial Liability</b>					
Programme and other payables	-	-	-	15,434	15,434
<b>Total Interest Sensitivity Gap</b>	<u>1,801,424</u>	<u>-</u>	<u>-</u>	<u>72,934</u>	<u>1,874,358</u>

The table below summarises the interest rates on financial instruments held at the date of the financial statements.

	2013	2012
<b>Financial Assets</b>		
Cash and cash equivalents	1%	1%
Investments	3.5%-4.75%	3.5%-5.75%

**5. Cash and Cash Equivalents**

	2013 \$	2012 \$
Cash on hand	250	250
Cash at bank	606,854	525,791
	<u>607,104</u>	<u>526,041</u>

**6. Investments**

	2013 Cost \$	2012 Carrying Value \$	2012 \$
<b>Fixed Deposit</b>			
Loans and receivables - fixed-term deposits	735,973	714,991	
Loans and receivables - repurchase agreement	561,226	560,392	
	<u>1,297,199</u>	<u>1,275,383</u>	
<b>Available-for-Sale</b>			
<b>Unlisted</b>			
- CANOC Broadcasting Inc. 1 ordinary share at US\$5,000	13,584	13,584	
		<u>1,310,783</u>	<u>1,275,383</u>

Investments as at December 31, 2013 pertain to loans and receivables - fixed-term deposits and repurchase agreement maturing within one year from the date of the financial statements. The weighted average effective interest rate on the fixed-term deposits is 3.95% (2012 : 4.06%) and on the repurchase agreement is 4.75% (2012 : 5.75%).

The carrying value of loans and receivables as at the date of the financial statements approximates fair value. There are no loans or receivables that are considered past due but not impaired, or impaired at the date of the financial statements. Accordingly there is no impairment provision for loans and receivables as they are collectible based on the Executive Committee's assessment.

**7. Programme and Other Receivables**

	2013 \$	2012 \$
GOSL receivable	-	35,360
Interest receivable	29,247	33,991

Transfer to building reserve	(244,974)	-
At end of year	<u>287,590</u>	<u>456,423</u>

The deferred assistance comprises the following:-

	2013 \$	2012 \$
PASO Activities Grant (2012)	-	244,974
Commonwealth Games - Glasgow 2014	109,783	205,145
Olympic Youth Camp	-	6,304
PASO Grant 2013	48,633	-
Youth Olympic Games 2014	129,174	-
	<u>287,590</u>	<u>456,423</u>

The balances represent unutilised funds donated to St. Lucia Olympic Committee by:-

1. The Commonwealth Games Federation for the preparation of athletes for the Glasgow 2014 Commonwealth Games.
2. The Pan American Sports Organisation for St. Lucia Olympic Committee activities.
3. Youth Olympic Games for 2014 activities.

**11. Building Reserve**

The Executive Committee has decided to set up a Building Reserve, where an annual appropriation from the General Fund to the reserve will be made to meet the costs of constructing a new Olympic Administrative Centre.

**12. Employee Costs**

Included in administrative and general expenses are the following:-

	2013 \$	2012 \$
Salaries and wages	<u>37,840</u>	<u>32,260</u>

The average number of employees for the year was 2 (2012 : 2).

## ADDITIONAL COMMENTS OF AUDITORS

To the Executive Committee of St. Lucia Olympic Committee

The accompanying pages are presented as additional information only. In this respect, they do not form part of the financial statements of St. Lucia Olympic Committee for the year ended December 31, 2013, and hence are excluded from the opinion expressed in our report dated July 18, 2014 to the members on such financial statements. The information in these schedules has been subject to audit procedures only to the extent necessary to express an opinion on the financial statements of the Committee and, in our opinion, is fairly presented in all respects material to those financial statements.

A handwritten signature in black ink, appearing to read 'BDO'.
